Dear Rev. Fredrick and Mrs. Hyacinth Martin;

HAPPY HOLIDAYS AND A BLESSED 2018.

The above-captioned school is deeply grateful for your monetary contributions and school supplies in 2017. We have completed the auditorium because of your kindness and the students are able to participate in all indoor activities with more space and overhead covering.

The past contributions from you have truly improved our facility and we have managed to pay the Special Education teacher.

The school supplies were a blessing and they arrived on time for the September term.

Thank you for MAKING A DIFFERENCE one more time and may God continue to BLESS YOUR UNION, SERVICE TO OTHERS, HEALTH AND LIFE.

Yours in Education,

Sharon Denny Tomlinson (Mrs.)
